MOOD BOARD

We can't wait to celebrate with you! While our wedding attire won't be black-tie, we're aiming for a simple and elegant atmosphere that allows everyone to relax, have fun, and dance the night away!

Sipho & Oscar

whimsy
/'wɪmzi/

the quality or state of being whimsical or fanciful
the designer's new line showed a touch of whimsy

a fanciful or fantastic device, object, or creation especially in writing or art

Earth tones: These are colors inspired by nature's landscapes and materials. They typically include browns, greens, yellows, oranges, and grays, often in muted or softened shades. Think of the colors of soil, trees, sand, and the sky. Earth tones create a sense of calmness, stability, and connection to nature.
